

## VP of People, California

---

### Global Leader in Cyber Security

---

Our client provides comprehensive and affordable solutions to more than 200,000 customers worldwide enabling them to protect their data, email, applications and networks from threat. As a winner of multiple awards including Best Leadership Team, Best Company Culture and Best Sales Organisation, this is truly a business where employees love to go to work.

---

We are now seeking a VP of People who will sit in California and spearhead the development and execution of an all encompassing people strategy. You will revolutionise HR processes, guide a dynamic global talent acquisition team and establish a data driven culture. We are looking for an individual who has carried out a similar role in technical, matrix global organisation and can offer an industry leading package which will include stock options. Please apply to [matt@allianceconsulting.co.uk](mailto:matt@allianceconsulting.co.uk)
